2. Time Table

Students can view their timetable through LPU e-Connect as per the following path:

e-Connect LOGIN ---> PCP > View Time Table

PCP Classes will be held through the "My Class" platform, which can be accessed by clicking on the "My Class" tab available on the LPU e-Connect home page. For logging in to the My Class account, students are required to use their LPU e-Connect username and password. Please note that you can access the LIVE classes only during PCP days as per the timetable.

The screenshot shows the LPU e-Connect dashboard. On the left, there's a vertical sidebar with icons for Dashboard, My Class (selected), Chat, Online Assessment, Events, and Discussion. The main content area has several sections: 'Resources' (listing courses like DCAP302, DCAP301, DCAP303, DCAP305, DCAP304), 'Happenings' (showing a thumbnail for 'Magic Potion for a Blissful Semester' with options to 'View Time Table', 'View Attendance', and 'PCP Certificate'), 'CCPA' (a graph showing student participation levels), and 'PCP Attendance' (a section currently empty). At the top right, a user profile for Manpreet Singh (Reg. No.: 21003395016, BCA) is shown with a 'Sign out' button. A red circle highlights the 'View Time Table' link in the Happenings section.

3. Attendance

The registered students can view their attendance on daily basis during the PCP classes in their respective e-Connect accounts by following the path:

PCP > View Attendance

- It is compulsory for you to attend the PCP classes with minimum 75% attendance; otherwise, you will not be allowed to appear in End Term Examination.
- PCP attendance certificate would be provided to students who will be attending 75% of their scheduled classes.

4. How to join LIVE PCP Classes through My Class Platform

The student can join LIVE PCP Classes through any of the following two modes:

Mode1: Through Laptop/Desktop (with minimum 2GB RAM)

Mode 2: Smart Phone (By using the browser of the smartphone) with a minimum 2GB RAM

Details of supported browsers are as mentioned:

- Windows: Google Chrome 80+
- Edge Browser: 80+
- Linux: Google Chrome: 80+
- Mac OS: Google chrome: 80+
- Android: Mobile Chrome 80+
- iOS: Safari 13.0 or above

However, it is advisable that the student should prefer Mode 1 i.e. Laptop/Desktop.

To access the classes smoothly, students must have uninterrupted Active Internet connection of 2-3 Mbps speed. The students should also try to make provisions for a backup internet connection. In addition, following things are desirable:

- Charging facility along with electricity backup during classes.
- Working camera of good resolution and mic.
- An isolated place with no distraction and proper lighting.

All the applicable students are advised to go through the videos available at the following links to become familiar and fully equipped to use "My Class" platform.

DSOC411-Lecture: PCP

WHAT IS SOCIOLOGY?
Sociology is a discipline in social sciences concerned with

- the human society
- and human social activities.

Derivation of the term Sociology
The French essayist Emmanuel Joseph Sieyès first coined the term in 1790.
In 1838, the term was reinvented by Auguste Comte the term sociology is composed of two words:
 Latin word 'Socius' means companion or associate or society and
 Greek word 'Logos' means study.
 Thus etymological meaning of sociology is, "The science of society".

The science of society studies –
 Social relations
 Groups
 Social interaction
